This book is presented as a portrayal of our school life here at Fairview High School. Like all books of this type it reveals our ambitions, efforts, accomplishments, and perhaps a few disillusionments. We have tried to provide adequate representation for all phases of school life so that this WARRIOR will meet with the approval of the Fairview High School students, faculty, and community.

a family man, both husband and father ... worthy of respect ... the symbol of authority, stability, wisdom, and competence ... transmitting to the student his Faith, keen morality, and gratitude ... sharing common student interests; interest in youth, interest in sports, interest in music, interest in progress at F. H. S., interest in our destinies ... with answers for all ... a devoted man ... our superintendent, Mr. Darrell Jones

Board Of Education

Who is responsible for the official policies and make up of the school? Who decides what changes must be made and how to approach them? Who represents the community and their contributions?

To whom does Mr. Jones confide?

- ... to parents of F. H. S. students
- ... to prominent and concerned citizens
- ... to opinionated and determined men

Namely: The Central Local Board of Education.

ALICE SIMMS Secretary

STANDING: Elmer Clinker, Robert Helisler, Edgar Baker, (Vice President) John Pendleton. SITTING: Robert Joost (Clerk), Francis Singer (President).

ROBERT BREISINGER

Principal

Mr. Breisinger ... principal at F. H. S. ... devoted to the high school as an educational and progressive institution ... Maintains a knowledgeable faculty ... registers students ... keeps the student body informed ... Coordinates extracurricular activities ... distinguishes between a parent's and a friend's signature, tolerates teachers' opinions, smiles at confusion ... acts as a sedative for others' headaches ... polices the lunch line ... and generally adds interest to our day by greeting us with "The skirts are getting a little shorter girls!"

PETER MOUNTZ

There are tests that must be administered to determine aptitudes and preferences, vocational interests, IQ's, and also to meet college requirements. There are individual counseling sessions, pèrson-to-person relations and parent-teacher-student conferences. There are student recommendations to be granted; high school schedules and future plans to be discussed. There is Mr. Mountz.

We advance from general business to intensified business ... from hieroglyphics to bookkeeping ... from script to type ... from practice to common usage. We advance from -40 to +40. Some of us are interested in dictaphones; others, in electric typewriters.

We learn of the buying and selling of commodities and

selling of commodities and services.

We learn of office machinery

We learn of office machinery.

Some of us learn to work

with stencils.

All of us learn of patience

and endurance.
We are business-oriented.

Music is whatever you would like it to be. It might be a historical research or a surface study, an emphatic realism or a worthwhile escape, a performance of appreciation and recognition, or a bowing in and bowing out. It may even be a high school composition.

We may discover a new outlet, a new philosophy, or a new version of music. We memorize it; We harmonize it; We translate it; We improvise it; We hum it; We contort it; We "blow" it; Some devour it. Most significant of all, We employ it... at church, at school, at ballgames...

Music to most of us is a movement to either the heart, mind, body, or soul. To the musician, it is all of these.

In Memoriam

RANDY HIGLEY

Near shady wall a rose once grew, Budded and blossomed in God's free light, Watered and fed by morning dew, Shedding its sweetness day and night.

As it grew and blossomed fair and tall,
Slowly rising to loftier height,
It came to a crevice in the wall
Chrough which there shone a beam of light.

Onward it crept with added strength With never a thought of fear or pride, It followed the light through the crevice's length And unfolded itself on the other side. The light, the dew, the broadening view Were found the same as they were before, And it lost itself in beauties new, Breathing its fragrance more and more.

Shall claim of death cause us to grieve And make our courage faint and fall? May! Let us faith and hope receive -- The rose still grows beyond the wall,

Scattering fragrance far and wide

Just as it did in days of yore,

Just as it did on the other side,

Just as it will forevermore.

With Mr. Mountz as advisor, and Chuck Ball as president, F. T. A. began a new year. The first activities were a formal and an informal initiation.

During the year Mary Gonzalez gave an interesting talk and showed slides of her experiences in Mexico last summer. Mrs. Schreder, a former teacher at Fairview, showed slides on the Head Start program, a program designed to help migrant parents teach their children and to prepare them for grade school. Mrs. White discussed with us the advantages and disadvantages of teaching elementary education, and Mr. Edwards told us his ideas of a good secondary teacher.

Besides listening to these interesting people, the F. T. A. members helped by grading papers. Probably the most important event to many of the members was the field trip to Adrian College in April, which ended a fine year for all the F. T. A. members.

The Future Farmers of America held a candy sale this year and collected over \$1500 in profit. Most of the F. F. A. members went to Columbus for the annual Farm Science Review. Tractor demonstrations, crop production, livestock producing ideas, and harvesting methods were shown.

The Parliamentary Procedure Contest was held at Ayersville this year and Fairview received a silver medal. Dave Foust, our representative at the public speaking contest, at Ayersville, received a silver medal. The F. F. A. entered a new contest in land judging and Larry. Jesse, Gene Sheets, and Jim Joost were our representatives. The contest was held to see if the boys could tell the different types of soils. The Fairview F. F. A. also participated again in District and State Livestock Judging contest. On May 13th they toured the tractor and car plant of Ford Motor Company near Detroit. They also visited Greenfield Village and the Henry Ford Museum.

Fairview is sending Tom Pendelton to Sweden in June. He will live with a family and work and learn their farming methods.

Of America

The Future Homemakers of America started their new year by the formal initiation of 27 new members, a county meeting at Tinora and a subregional meeting held at Anthony Wayne High School. Other projects consisted of sponsoring an Indian child in Oklahoma and placing first at the county fair with the F. H. A. fair booth.

Special programs held during the year were a Progressive party, which introduced foreign foods to the girls, Daddy Date night and a F. F. A. -F. H. A. square dance. In February the girls made supplies for a rest home and in April they were busy making doughnuts for three days. The profits from the sales of the doughnuts went for the F. H. A. trip in June. Other money making activities included a Sweetheart Hop, selling Christmas greens and selling toys.

Eighteen members, the advisors and five parents attended the State Convention held in Columbus. Four girls received their State Homemaker Degree at Convention. They were Pam Shuler, Chris Seibert, Chris Mc-Clure, and Kay Wineland.

Student Council

LEFT TO RIGHT: C. Peter, M. Bergman, M. Singer, B. Peter, D. Thomas, B. Wendling, C. Orcholski, M. Gonzalea, E. Singer, A. Shininger.

The Student Council was organized in the fall with Mike Singer as President, Mary Gonzalez as Vice-President, and Cindy Orcholski as Secretary-Treasurer. The first activity of the Student Council was to assist in organizing the first Homecoming of Fairview High School. Later they adjusted a proposed constitution which had been written at the end of the last year.

Silver Bells was the theme for the Christmas Dance with the Hilltop band providing the music. The Student Council visited the Napoleon and Hilltop High Schools. The Student Council was able to experience the atmosphere and problems of other schools and discuss with their Student Council the ways to solve them.

The objectives of the Student Council are to improve school spirit and to improve working relationships among students, faculty and administration. In summary we think the Student Council has had a successful year and are looking forward to a new year with new challenges and hope we will be able to assist in a constructive way to deal with these problems.

The National Honor Society participated in three major functions along with the regular monthly meetings. The National Honor Society along with the Student Council was responsible for Fairview's first football homecoming dance.

The next large event was the induction of new members. This was the second year that the National Honor Society inducted students formally in front of their parents and some of the faculty and administration. Mr. Breisinger gave the closing remarks at the induction ceremony. The last major event for the Society was to attend a stage play in Fort Wayne.

At the beginning of the year, new French, Latin, and Spanish members were sold to older members at a Roman Slave Auction. Each slave had to speak in his foreign tongue and display his talents. The slaves went to the highest bidders and were in bondage for twenty-four hours.

Mr. Wagler shared with the club his experiences in Greece, the Netherlands, Germany, Austria, Italy, and Yugoslavia. The Club observed the culture of people living abroad and became aware of the existing contrasts and barriers.

In April the club hiked to the park and enjoyed a picnic in celebration of a year completed and the development of a better understanding of the people that make the world. Our hope is that in the future all social barriers may be dissolved and that peace and understanding may become realities.

The Varsity Club is for any young man winning a varsity letter. The purpose is to promote athletics and sportsmanship with assistance from the administration and the community.

The club project was to buy individual and team trophies for deserving Fairview athletes which will be presented at the Boosters All-Sports Banquet. A project for the future will be to help lower the cost of sending the cheerleaders to summer camp.

In the past the Varsity Club has met very little and sponsored very little, but it is hoped that in the future the organization will be more meaningful.

By buying sweaters or special jackets, holding initiations, meeting in the evenings, holding swimming and skating parties with dates and charging dues to the club, it is hoped to instill more interest and meaning to the Varsity Club.

Fairview

During the past school year the Apache Band launched itself into the first full football season and expanded its range of activities to include halftime performances on the Fairview gridiron and the Defiance College. In January the band was invited to perform at Hicksville and Antwerp and carried the reputation of our fine music department to these neighboring schools. Due to the lengthy football season, a Winter Concert was presented for the first time and proved to be very popular. Another first for the Apache Band was the Excellent rating earned at contests at the University of Toledo; it was the

highest Fairview has ever received since the school consolidation. The Spring Concert brought the concert season to a close with a rock beat and a rousing applause for one of the finest concerts to ever be presented on our stage.

The many other activities of the band, its distinguished performances, and the exceptional support of the program by the school, the community, and the Music Boosters are evidence that an abundance of pride is present for this organization that does so much for the benefit of the students and community.

Dramatically Different

This year the Drama Class staged two full length comedies. The fall production was the two act Around the World in Eighty Days. The spring performance was another comedy entitled The Mouse that Roared.

Both productions played to a full house, and were well received by the audience - which those in the cast appreciated. Both plays called for large casts, therefore nearly all members of the Drama Class made a stage appearance during both productions.

With such large casts it would be unfair to single out three or four persons for special recognition. Suffice it to say that each individual contributed to the success, if any, of the productions.

The characters of Al Capp's comic strip, Li'l Abner, came suddenly to life on the Fairview stage during April 3rd and 4th. "Barefootin" could have been the theme of the Fairview High School Chorus, as that is the way most of them were seen. Freckles, patches and braids added to the Dogpatch scene. Another first - putting on a Broadway Musical, Li'l Abner was a challenging experience that the F. V. Chorus members will have fond memories of for the rest of their lives. The production both nights was warmly received by an appreciative audience for an outstanding performance, successfully directed by Mrs. June Schulte and Mr. Dean Edwards.

Apaches Win Runners-Up Trophy

Fairview completed its first varsity football season and left a warning for other teams to watch for ambushes from here on in. Fairview finished second in the Northwest Buckeye League, tying league champs Hicksville 28-28, and beating pre-season co-favored Payne 26-0, on Parent's Day. The Apaches had a N. W. B. C. mark of 2-1-1, and compiled an overall record of 5-3-1.

Statistic wise the Apaches improved tremendously from last year's team. Fairview averaged 22.2 points a game with an offense that averaged 293 yards per game and limited their opponents to 15.2 points per game.

Six Apaches received honors in the All-N. W. B. C. selections. Mick Ester, Gerald Hanna, only a sophomore, Bruce Mosier, Steve Roberts, Tim Schlosser, and Pat Stuckey were selected for first team. Tim Schlosser also received honors for Honorable Mention All-State Defensive Tackle.

The following players received awards at the Boosters Annual All-Sports Banquet held April 18th.

Most Valuable Player - Bruce Mosier

Top Offensive Back - Tom Hubbard

Top Offensive Lineman - Gerald Hanna

Top Defensive Back - Mick Ester

Top Defensive Lineman - Pat Stuckey

Most Improved Player - Ed Schlosser

Our First Homecoming Victory!

The Apaches delighted 1800 Homecoming fans as Gerald Hanna, Jim Knisely, Andy Shininger and Ed Schlosser tore gaping holes in the Vikings line to enable Mike Bashor, Aaron Hanna and Tom Hubbard to ramble for 230 yards. Bruce Mosier caught 6 passes for 66 yards. The Apaches defense held the Vikings to 56 yards rushing, 26 in the second half. Ester, Stuckey, Hanna and Mosier mounted the defensive assault on the Vikings.

Apaches Future Rosy

Fairview wins the runners-up trophy from 2nd place in the N. W. B. C. The Apaches gained only one shut out of the year with a great defensive display on a rain soaked Saturday afternoon. This closed the Apaches Football season with a 5-3-1 record with Fairview's future looking bright. Peter, Hubbard, Schlosser, English, Hanna, Shininger, Mosier and the rest of the Apaches Defense had its silent hour. Boger, English, Ester, Hanna, Knisely, Rath, Schlosser, and Winnie played their last football game for Fairview.

The Cross-Country team consisted of four seniors and 13 underclassmen. The team finished third in the Green Meadows conference, one half point out of second place. Five of the top seven runners were underclassmen, leaving a strong nucleus for next year. Cross-Country is a grueling sport. It takes an athlete with courage, determination, endurance, and the will to win to be successful in this sport. Their season record was 16 wins and 8 losses.

Jerry Bergman was the leading runner with a total of 95 points followed closely by Bob Suffel with 93 points. Rounding out the remainder of the top seven runners are Bruce Berenyi, 72 pts.; Larry Morrison, 63 pts.; Steve Sims, 61 pts.; Ken Sailer, 53 pts.; and Greg Brenner, 40 pts. Other members of the team were Jim Guilford, Tom Bashor, Scott Kammeyer, Scott Sanders, Chuck Smith, Paul Baerlin, Don Baker, Leo Shininger, Eddie Singer, and Steve Jerger.

The Fairview Grapplers preserved an undefeated season right up to their last match when Defiance beat them soundly 29-11. Led by seniors Jim Knisely, Tim Schlosser, and underclassmen Russ Motter, John Jacob, Bob Suffel, Paul Baerlin, and Pat Stuckey, the Apaches compiled the greatest single season record ever by a Fairview wrestling team with an 11-1 record. They came in second out of four teams at the Napoleon Holiday Tournament with Jim Knisely and Tim Schlosser winning first place medals.

The Apaches came in sixth out of seventeen schools at the sectional tournament held at Defiance. Bob Suffel took a 2nd and John Jacob and Paul Baerlin took 3rd's. These fine young men went on to Toledo to represent Fairview in the District Tournament.

There will be no material rewards, such as a league trophy, for the efforts put forth by this outstanding group of young men because Fairview's wrestling team is in no league.

We hope these young men have gained something better than a trophy. There has to be a warm glow of inner satisfaction and pride in each one of them knowing that he helped a team accomplish great feats.

Best-win-loss record - John Jacob

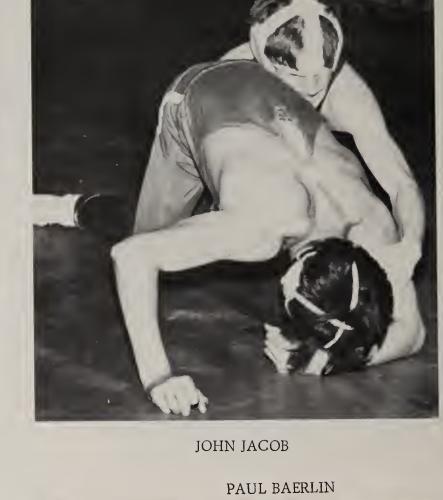

Most Improved - John Jacob

The sophomore class was faced this year with the unenviable task of playing without the services of Bruce Berenyi and Scott Hemenway, both of whom saw only varsity action. The rest of the boys appeared lost and bewildered for the first half of the season as they lost seven of their first eight games. The biggest problem at the time was the lack of an offensive attack. No one on the team would take the initiative to consistently attack the basket.

By midseason, the boys began to gain confidence in their offensive abilities. The play of guard Brent Maugel and Gary Crites, in particular, was vastly improved. The Apaches won a thriller from Bryan on a last second shot by Maugel. They then lost a heartbreaker to Ayersville before winning their last four games to finish the season with a 7-11 record.

Crites was the leading scorer for the season with 121 points. Maugel was second with 112, and Steve Roberts was third with 102. Gerald Hanna led in the rebounds with 184.

The Freshman basketball team finished their regular season with 13 wins and 1 loss. The only loss was to a tough Napoleon team by 2 points. They were undefeated in the conference. The Apache Frosh began their season with an exciting 1 point victory over rival conference opponent Paulding. They continued to win 12 straight games before being defeated. After their only loss they came back to defeat Oakwood, previously undefeated in the conference, to win the conference championship.

In the conference tournament, the Apache freshmen defeated Hicksville, Ayersville, and finally Oakwood to win the championship. Their overall record was 16 wins and 1 loss.

FRONT ROW, left: Bruce Mosier, Mike Singer, Tom Hubbard, Garold Hanna. SECOND ROW, left: Tom Bashor, Andy Shininger, Paul Baerlin, Gene Rucker, Jim Luettke, Mike Rohlf, Pat Stuckey, Mike Bashor, Richard Hetrick. THIRD ROW, left: Chuch Farr, Mick Ester, Marv Bergman, Scott Kammeyer, Dan Thomas, Burnell Saylor, Larry Saylor, Leo Shininger, Jerry Bergman, Steve Sims, Coach Brugler.

The beginning of the season looked great for the Apache thin clads but as the spring went along it took with it some key men. Dan Thomas and Marv Bergman were out most of the season with pulled muscles and Jerry Bergman had the curse placed upon him once more and also missed most of the season because of sickness. Fairview won one meet outright, came in second several times, came in last 3 times, gained a 3rd at the league track meet, and came in 5th to the last at the district AA meet bearing out some good schools like Napoleon, Lima Bath, Lake and Van Wert. We are faced with a rebuilding year and with the underclassmen we have returning next year we could come out with a 500 season in 1971.

The outstanding individual for the track team was high scorer - Mike Singer. He also was the only Apache to score in the district track meet.

Overall Record 12-13 League Record 6-1

Players kick the habit.

The baseball team gave Fairview its only league championship of the year. Even though their overall record was only 12-13, they had a 6-1 league record which was good enough to lead the Green Meadows Conference. The Apaches were 3-0 going into the final week, with four league games remaining. On Tuesday, Scott Hemenway hurled a two-hitter in a losing cause as Hicksville won by a score of 5-1. Les Chafin pitched a four-hitter on Thursday against Paulding as the Apaches won, 6-3. They clinched a tie for the league championship on Friday when they defeated Oakwood, 5-4. Bruce Berenyi fired a two-hitter in that game. The Apaches wrapped it all up on Saturday as they downed Tinora, 1-0 with Hemenway throwing a one-hitter.

Here's the line-up.

Again this year, the varsity cheerleaders attended Smith-Walbridge Cheerleading Camp. They learned new cheers, chants, and pom pom routines. In the daily competition our Apache Cheerleaders won two first places, two second places and one honorable mention. They also won the Spirit Stick the first day for having the most spirit.

For the first time this year the Varsity and Reserve squads found out that cheerleading for a varsity football game can be both fun and exciting. For the Varsity Cheerleaders it was something very special to cheer for the first Apache Varsity Football team.
